## **Marine Analysis and Forecasting System of the GRUPPO NAZIONALE DI OCEANOGRAFIA OPERATIVA – INGV**

### **Terms and Conditions for Access to Data** *for non commercial users*

These Terms and Conditions are applicable to public and private non commercial users of the data of the marine analysis and forecasting system of the National Group of Operational Oceanography (GNOO)- INGV.

Users of the system agree that :

To apply for access to the data of the GNOO analysis and forecasting system users must submit the Data Access Request Form, where purposes of the use of the requested data must be specified.

Users may download data only for non-commercial use connected with their work as employee of their organization of belonging. They shall keep secret to third parties the password received by INGV. They shall not transfer data and products to third parties. They may not copy, reproduce, transmit or distribute the data downloaded. Neither these materials nor any portion thereof may be stored in a computer except for non-commercial use. Users may not use the content in any way not specifically declared in the Data Access Request Form without the specific consent of INGV. They will use the material only for lawful purposes.

#### **ACKNOWLEDGEMENT**

Users shall indicate the source of INGV data in any publication arising out of the use of data and products obtained by the operational system of GNOO.

## **DISCLAIMER**

The data and products of the GNOO operational system are provided “as is” and without warranties of any kind, whether express or implied.

INGV does not make any warranties regarding the accuracy, completeness, correctness, adequacy, timeliness, reliability of the data released by the system.

INGV will not be held liable for any delays, inaccuracies, errors, or omissions therefrom, or in the transmission or delivery of all or any part thereof or for any damages arising from the use of the data. Users waive any claim against INGV in relation to interpretation of the data.

## **LIABILITY**

Users are held responsible of any access to the data made through the password that they have been assigned. They are responsible for any damage caused to INGV due to misuse of the password done by themselves or by third parties.

Users shall indemnify INGV for any damages it may incur as a result of a breach of the terms herein or in connection with their use of the data. INGV reserves the right to demand that users destroy data they have received.

## **MODIFICATIONS**

These terms and conditions, or any of them, may be modified or terminated by INGV without notice at any time for any reason. Any change will be published on the web sites <http://gnoo.bo.ingv.it/mfs> and <http://gnoo.bo.ingv.it/afs>. INGV retains the right to deny access to the users and to anyone accessing the data under their registration. INGV may deny access to anyone who violates any part of the Terms and Conditions.

## **APPLICABLE LAW**

The agreement between the INGV and the users shall be governed by the laws of Italy.
